## Nationals Off for New York to Open the Season Tomorrow

## Griffmen Leave Today For the Season Opener

### W. JOHNSON TO PITCH

Nationals' Speed Merchant Sure to Work in First Game-Other Sport Gossip.

Manager Clark Griffith will lead his ball club to New York today ready and primed for the opening game of the season against Bill Donovan's Yankees in the Polo Grounds tomorrow. The Nationals leave on the 3 o'clock ex-

press and will reach the hig town in time to get a good night's rest before hostilities actually begin.

It is virtually assured that Walter Johnson will pitch the opening game and his opponent will more than likely be his opponent will more than likely be Ray Caldwell. Not because Johnson is in better shape

than some of the other pitchers on Griff's staff, but more out of compli-ment to the big fellow than anything clas, is the reason why he is selected to work the first game.

to work the first game.

Since the writer has been in Washington Johnson has been named to twirl the opening day every spring except in 1909, when he was a bit under the weather, and Joe Cantillon selected Charley Smith, and in 1911, when it will be remembered Jim McAleer sent the big fellow heak to Coffeeville because the big fellow back to Coffeyville because he refused to sign a contract at the fig-ures McAleer named.

Every member of the Washington squad will be taken to New York today with the exception of Catcher Ainsmith and Pitcher Jim Shaw. The first named is not quite ready to go behind the bat in a league game, while Shaw is still rather wild and in need of more prac-

tice and warm weather.

Considerable comment was heard in the stands yesterday about the show-ing of Joe Judge, the National's first baseman, during the exhibition games played here. Judge has failed to im-press and dependable hitter and the fans have started to "ride" him.

It is true that the youngster is in a but or a stump, but he will soon come out of it, and the writer predicts that by the time the season is half over the fans will have entirely forgotten Chick

Boston, April 10 .- Tris Speak sensational center fielder of the Champion Red Sox, leaves Boston at 11:15 o'clock tonight for Cleveland, his career with the Red Sox ended.

"I am satisfied but sorry," said. Speaker after a conference with President Joseph Lannin of the Red Sox, this afternoon. Reports of a stormy scasion

when the two men met today were not verified after the conference when they emerged from the conference room smiling and apparently both very well pleased with affairs. Speaker denied the report that he had said he wanted a share of the \$50,000, which the Cleveland club is to pay for him. He said he did not ask for a dollar of this money.

President Lannin told the newspaper men that he felt sure that Speaker would make good in Cleveland, and that the Cleveland club would be well satisfied with the trade.

Speaker spent the afternoon at the baseball park and received a warm welcome from all his Boston friends.

basket-ball in the Y. M. C. A. boys' symnasium last night.

The defeat of the league leaders came as a surprise and closes up the pennant fight in the Sunday School League.

Peck Chapel has won 15 and lost 4 games, but the action of a recent meeting of the league in awarding a protested game to that team gives them a standing of 16 won and 3 lost, with two games left to play, while Christ Luth. games left to play, while Christ Lutheran now has won 16 games and lost 4, and but one game to be played; however, a meeting of the league will be held next Monday night for the purpose of voting on reopening the question of the pro-

Rice Holds Collegians Safe Throughout, Winning, 8 to 4. Griffmen Wallop Ball.

#### PARKS GETS THREE HITS

Nick Altrock and his peppy Almosts beselged the Georgetown University baseball field yesterday and after slicing out sixteen juicy bingles romped home five innings and was relieved by Erskine Mayer when the Griffmen came to bat in with the spoils, 8 to 4. The score in no way can tell the real story, as Rice, who did the flinging for the professionals, held the collegians in the hollow of his hand and until the last two innings, when he just laid "them" over, the Hill-toppers were helpless.

Lem Owens, who started the pitching for the Jesuits, got away with his weres

during the first inning, but in the sec-ond, with a triple, two singles and a stolen base, Altrock's crowd sent two tallies over the dish. Again in the third Owen held the Nationals safe, but in the fourth, when Owens was derricked in favor of Breslin, again the Washington second team sent two runs across the pan, putting them beyond reach.

In the fifth, sixth, seventh and eighth, talles which were not needed were knocked in the one in the seventh counting without a base hit.

Three double plays helped kill many promising rallies for the Altrock crew and but for these and the "I-don't-care" spirit which prevailed, the score would have been deather.

and but for these and the 1-don 1-dark spirit which prevailed, the score would have been doubled.

Of the four pitchers Coach O'Reilly sent to the mound, Owens and Murray looked the best and should either have worked the entire route, as did Rice, probably the score would have been Parks, the Atlanta boy, now with the

athlete getting three his empts, scoring one ru nother. Score: •
